

Treaty Of The Midwest

On this day, November 13th, 2019, The Illinois Soviet Socialist Republic and The United Military States of the Moon entered into a defensive alliance. The I.S.S.R. was attacked by an outside force attempting to terminate the I.S.S.R. In response to this, the U.M.S.M. pledges that anyone who attacks the I.S.S.R., will be met with an overwhelming defensive force from the U.M.S.M.

May these two nations fight valiantly, gloriously, and victoriously.

Glory to the Illinois Soviet Socialist Republic and the United Military States of the Moon!

Premier of the I.S.S.R.:

Premier Andrew

Supreme Leader of the U.M.S.M.:
